

DREAMERS

In partnership with Art Serve, Inc
September 13 - November 12, 2018

America is built on a dream. People of varying cultures and beliefs come together and coexist with shared values and an opportunity for all. But, like all dreams, there are times of hope, distress, challenge, adversity. Some of South Florida's top artistic talent showcase through their art what it means to "dream" today.

The Ansin Family Art Gallery offers FREE, diverse art exhibitions that are thought-provoking, celebratory and creative. For more information, to book a group tour or arrange a "Classroom in the Art Gallery" experience to meet and learn from MCC staff and artists, [email](#) our Arts and Education department or call 954-602-4519.
