

HISTORIC MIRAMAR INFRASTRUCTURE IMPROVEMENTS PROJECT (HMII3) Newsletter

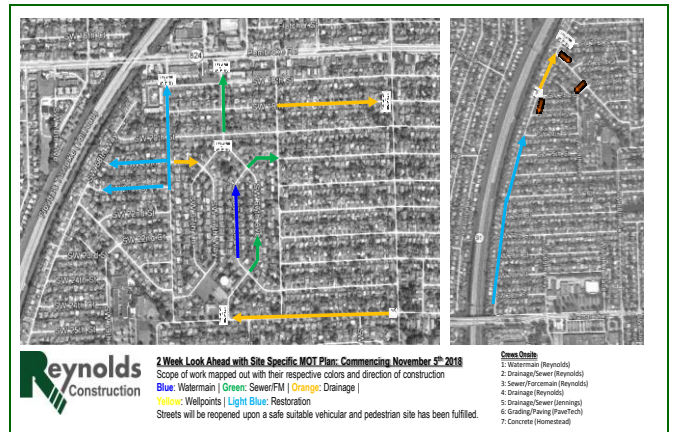

November 8, 2018 vol. 2

The HMII3 Project Team is managing the Historic Miramar Infrastructure Improvements Project Phase 3 (HMII3). The intent of this project is to update the 1950's era water mains and enhance fire protection. It will also provide sanitary sewer service that will allow property owners to abandon their septic tank once connected to the new sewer system, and improve storm water drainage in your neighborhood.

We encourage you to contact the dedicated HMII3 customer service relations team at hmii3@adamsconsulting.biz or 954-998-3146 with questions or for additional information.

What's Taking Place in your Neighborhood?

- *Roadway Restoration* – (Light Blue) First lift of asphalt has been completed on SW 67th Way, SW 67th Lane, SW 20th Street, SW 20th Court and SW 23rd Street west of SW 68th Avenue; SW 68th Avenue from SW 25th Street to SW 21st Street and the intersections at SW 30th and SW 29th Streets on Sunshine Boulevard.
- *Roadway Restoration* (Light Blue) and storm drainage construction on SW 68th Avenue (Orange) is in progress.
- *Sanitary Sewer* (Green) construction on SW 20th Court, east of 67th Ave; and on SW 67th Lane, between 67th Avenue & SW 67th Way.
- *Storm* (Orange) drainage is under construction on SW 68th Avenue from SW 21st Street to SW 18th Street, SW 22nd Court, SW 22nd Street, Sunshine Boulevard from SW 23rd to SW 21st Street and SW 19th Street from SW 66th Avenue to SW 64th Avenue is in progress.
- *Water construction* on Sunshine Boulevard is complete.

What's Next?

- *Roadway Restoration* (Light Blue)- The first lift asphalt on the following roadways is scheduled to commence before the end of December, 2018:
 - SW 68th Avenue from SW 21st Street to SW 18th Street
 - SW 21st Street west of SW 68th Avenue
 - Sunshine Boulevard from SW 30th Street to SW 27th Street

When Will It End? *HMII3 is scheduled for completion by September 2019*
