

Construction Notice

Historic Miramar Infrastructure Improvements

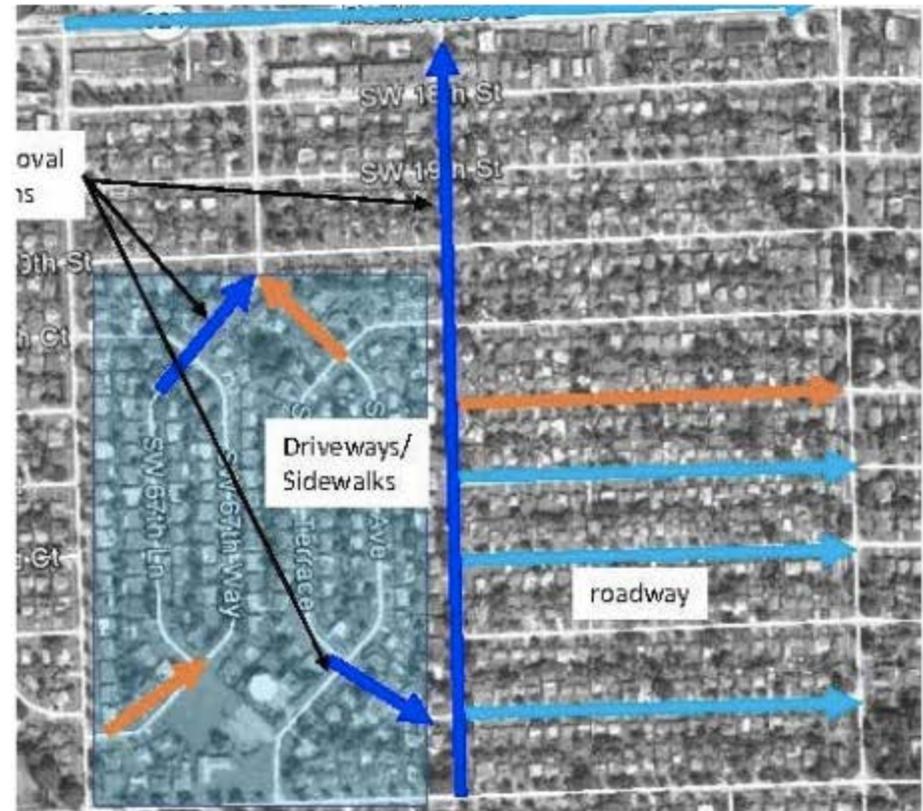

Installation of Storm Drainage on SW 67th Lane

Beginning Monday, October 21, 2019, Reynolds Construction will remove existing water main pipes and install the new storm drainage system on SW 67th lane between SW 67th Ave and just south of SW 20th Court. The area is highlighted in dark blue on the map.

Removal of the existing water main pipe and installation of the new storm water drainage system will take two to three weeks.

Reynolds Construction is responsible for restoring the damaged swales and driveways. Mailboxes will be re-installed at its original location and in their original condition.

During construction, please do not park in the swale areas on either side of SW 67th Lane. Please follow the traffic detour signs and the directions of safety staff.

For questions or concerns,
please contact 954.998.3146 or hmi3@adamsconsulting.biz
