

BEFORE, DURING AND AFTER A STORM

BEFORE

- DO NOT put out bulk trash when a Hurricane is in close proximity to the area, especially when a Hurricane Watch or Warning has been issued.
- Expect all curbside collections to be suspended when a Hurricane Watch or Warning has been issued.
- Monitor local television, radio and City of Miramar web-site for updates regarding curbside collection services and operational reports.

DURING

- ALL sanitation services are suspended during a storm.
- Tightly secure all household waste in garbage bags to prevent unsanitary conditions.
- Be prepared to store garbage bags for several days while streets are being cleared.

AFTER

- Place all storm related debris into separate piles curbside.
- DO NOT place storm related debris into bags.
- DO NOT place storm debris on streets, sidewalks or storm-drains.
- Please monitor City of Miramar web-site and social media for information concerning the reinstatement of curbside collection services.

Debris removal guidelines

In efforts to expedite the debris removal process, please follow these rules
