5 PAINT DETAIL & ADDITIONAL INFORMATION												
- Complete the Color Palette Detail Sheet on Page 3 and submit a copy at the time of online application submittal. The physical Color Palette Detail Sheet is required to be delivered to the City within one (1) week of the official application online submittal. Failure to submit Color Chips will hinder the application as incomplete and prevent the review of the repainting request. - If a property contains multiple buildings and each will utilize a different color palette, a separate Color Palette Detail Sheet must be submitted for each individual building. - The scope of work must be completed within 180 days of the Issued Permit Date. If work has not been completed by the expiration date, the Applicant may request a 30 day extension. Once work has been completed, the Applicant must schedule a Final Zoning Inspection.												

COLOR PALETTE DETAIL SHEET

This sheet must be completed for each color scheme proposed on a multi-building site. Additionally, this physical sheet must be submitted to the Planning & Zoning Division within one (1) week of the application online submittal. Failure to submit this sheet with the attached color chips will hinder the application as incomplete and prevent the review of the repainting request.
