

# CITY OF MIRAMAR CONSOLIDATED RETIREMENT PLAN & TRUST FUND

## January 14, 2025 Meeting MINUTES

Vice-Chair Hector Vazquez called the meeting of the Board of Trustees of the City of Miramar Consolidated Retirement Plan & Trust Fund to order on January 14, 2025 @ 10:07 A.M. in the Commission Chambers on the 1<sup>st</sup> Floor of 2300 Civic Center Place, Miramar, Florida

### **TRUSTEES PRESENT:**

City Manager Roy Virgin, Trustee Hector Vazquez, Trustee Heather Dailey, Trustee Fiona Morrell, Trustee Mark James and Trustee Rafael Sanmiguel. Mayor/Chairman Messam arrived @ 10:10 A.M.

### **ABSENT AND EXCUSED:**

Trustee Tecora Noble and Trustee Clinton Taylor

### **OTHERS PRESENT:**

Fund Attorney Adam Levinson of Klausner, Kaufman, Jensen & Levinson, Mr. Randy Cross and Ms. Kanika Stamp of the City's HR Department and Administrator Althea Leigh-Lodge of Benefits USA. Fund Auditor Ms. Tanya Davis of S. Davis and Associates and Mr. Doug Falcon of FHA TPA attended via telephone.

### **APPROVAL OF MINUTES:**

December 10, 2024— Regular Meeting

City Manager Virgin commented that the minutes does not reference information Trustee Dailey provided reported/clarified on two employees reflected on the supporting documentation provided by the Management Plan for the Matrix; The two employees mentioned were:

- 1) Marcellin Denis – he is listed under Terminated/Vested, but he was rehired 06/23/22 and now participates in the Consolidated Plan.
- 2) Johnie Douglas – he is in DROP; his “Last Possible Day in DROP” needs to be updated to reflect 2029

*Trustee Sanmiguel moved to approve the minutes of the December 10, 2024 Regular Meeting with the necessary corrections. The motion was seconded by Trustee Morrell and the motion passed 6-0.*

### **PUBLIC COMMENTS:**

Vice- Chair Vazquez opened the floor for public comments. There was no comment from the public at this time.

*This item was addressed later in the meeting but is reflected in the minutes as it appears of the agenda.*

### **INVESTMENT PRESENTATION & CONSULTANT REPORT:**

Mr. Amrose distributed copies of the Supplementary Actuarial Valuation Report dated 1/13/2025 prepared by his office. The report measures the first-year financial impact of allowing prior part-time with benefits service to count as service in the Pension Plan for vesting and retirement eligibility purposes under the following scenarios;

- Scenario 1 - Count 75% of prior part-time with benefits service for vesting and retirement eligibility purposes. This service will not be used to determine the benefit amount.
- Scenario 2 - Count 50% of prior part-time with benefits service for vesting and retirement eligibility purposes. This service will not be used to determine the benefit amount.
- Scenario 3 - Count 25% of prior part-time with benefits service for vesting and retirement eligibility purposes. This service will not be used to determine the benefit amount.

- Scenario 4 - Count 0% of prior part-time with benefits service, but allow those who move to full-time to be able to purchase that time (up to 75%) by paying the full actuarial cost (for eligibility and/or benefit service).

The Trustees also discussed the following;

- The impact of including part-time service in the Pension Plan for full-time employees
- They reviewed a prior Study from October seeking alternatives to the current scenarios
- Mr. Amrose presented various scenarios, including the impact of including different percentages.
- The financial impact of including part-time service.
- The required City contribution was analyzed, showing increases with different service inclusion percentages.
- Allowing members to buy back their part-time service
- The risks and benefits of allowing members to buy back service
- The Board requested a 50% level but additional options were included for consideration.

#### Discussion on Scenarios and Financial Impact

- The Trustees sought further clarification on the financial impact of the 75% and 50% scenarios, and confirmation on whether the report reflected a one-year cost. Mr. Amrose explained that although the report shows a one-year cost, it's also essentially reflective of the overall cost over 20-years since the majority of costs are borne in the first year, which allayed some of the Board's concerns on cost.
- The Trustees inquired about subsidizing part of the member contribution and Mr. Amrose confirmed it is possible
- The question was asked can they learn from other Plans and Mr. Amrose commented that most Plans do not give credit for part-time service

#### Human Resource Perspective and Employee Impact.

- Mr. Cross shared insight from HR, emphasizing the dedication of part-time employees and the impact of becoming full-time
- The potential benefits of allowing part-time employees to retire at the same age as full-time employees
- The potential cost savings and benefits of allowing part-time employees to buy back their service

Additional Discussion included but not limited to;

- Trustee Vazquez expressed support for the idea but had reservations about the cost.
- The suggestion was made to proceed with an option that is easy to administer and similar to the current ordinance.
- The importance of not creating a financial barrier for part-time employees.

Following discussion; *A motion by Trustee Vazquez to allow part-time employees the option to purchase every 2-years of the part-time service at 50%. Trustee Morrell seconded the motion and the motion passed 7-0.*

The Trustees also discussed providing a COLA

Employee COLA Provision;

- Vice-Chair Vazquez raises a question about extending the employee funded COLA provision to General Employees.
- There was discussion about the current provision and the steps needed to extend it to the General Employees.
- The importance of COLAs and the potential costs associated with extending the provision
- The Trustees discussed the benefits and costs of extending the provision and agrees to include it in the ordinance.

- Mr. Amrose commented that COLAs are very important and very expensive. If the Board considers it, there would be a charge for the additional calculation.

Following discussion, *Vice-Chair Vazquez moved to approve an employee funded COLA like the Management Plan. Trustee Dailey seconded the motion and the motion passed 7-0.*

Actions to follow;

- Actuary to prepare an Impact Statement on the 50% prior part-time service option and send it to the City Attorney and HR Director
- Incorporate the 50% part-time prior service option and the COLA option for General Employees into the ordinance and send it to the City Attorney and HR Director

**UNFINISHED BUSINESS**

**Follow up Discussion re: Annuitant Beneficiary Change**

Attorney Levinson reported that he is going to take the decision the Board made today about 50% on part-time and take the other items included in the ordinance using the language which was added at the last on the topic. Attorney Levinson commented that there is a distinction between beneficiary and a Joint Annuitant. He stated that a beneficiary is someone who gets paid out an amount such as a DROP distribution and then receives nothing further while a Joint Annuitant is entitled to a life-long benefit that continues if they are alive after the member dies.

a. Update re: DROP Wire Processing – Fiduciary Trust & MissionSquare

Attorney Levinson provided a brief summary on the issues with the DROP wire processing and the steps taken to resolve them. There was discussion with Fiduciary Trust not wanting to use the website of a third party for MissionSquare. This created an issue and they (Fiduciary Trust) agreed to continue through the end of 2024. He reported that the administrators expressed the same concern not wanting to use the MissionSquare website.

A template was provided; the same template Fiduciary Trust was using to provide the information to MissionSquare. The administrators have been submitting the template since January 2024 and were under the impression that everything was running smoothly. Then the City began receiving calls and complaints that the funds weren't being allocated timely and they could not identify who the funds belonged to.

Ms. Lodge clarified that the template being used was created and provided by MissionSquare. She reported that the agreement was made with MissionSquare that the administrators would upload the template into the MissionSquare secured website and they would input the monthly data for processing.

Trustee Dailey highlighted what occurred from her perspective. She reported that Ms. Shea submitted everything she was supposed to submit with the wire including the list of deposits and the names of participants. The issue, one of them was not deposited and multiple individuals from MissionSquare were contacting the City instead of contacting the administrator asking about the deposit. MissionSquare states they did not receive what was submitted even-though they allocated the funds to everyone else on the list. She commented that there have been concerns of the impact the delay has on the member's earnings.

Trustee Dailey reported that she reached out to the City's consultant who oversees both their MissionSquare and Nationwide Plan to ensure consistency and he is working directly with MissionSquare to resolve the issue. She reported that she has been told that MissionSquare outsourced all of the recordkeeping aspect of their processes. Attorney Levinson suggested inviting MissionSquare to a future meeting to provide an update on the MissionSquare issues and options for the DROP account.

**NEW BUSINESS**

b. Status update re: F.Y.E. 9/30/2024 Audit

Ms. Lodge reported that based on conversation with the auditors, they are in the process of reconciling the Financials they received to the Confirmation they received. They are in dialogue with the Bookkeeper regarding the same. The DROP Confirmation from MissionSquare is still outstanding and reminders have been sent. The auditor also stated they have communicated with the actuary. The Human Resources Department still has a bit of information outstanding and they are pressing to meet the timeline for presentation at the February 11, 2025 meeting.

Signature Delegation form re: FHA-TPA access to Receipts & Disbursement Account (for Signature)

Ms. Lodge reported that previously she was the only administrator with access/authorization to the Receipt & Disbursement Account linked to the General Plan. Now that the Receipts and Disbursement Accounts are consolidated, Fiduciary Trust requires the Signature Delegation form signed by the Trustees and the principals of FHA-TPA authorizing them to give instructions. She reported that she has the form available for signature.

**Attorney Report:**

Attorney Levinson provided two legal updates; he reported that Social Security offset is being eliminated- there is no longer an offset. There has been a change to Internal Revenue withholding

requirements. This past October, the Internal Revenue issued a final regulation which deals with withholding, mainly for individuals residing outside of the United States. Effective with Pension Payments after January 1, 2026, a retiree cannot elect no withholding if they have a residence address outside the United States. If you are in the Military and on base that is outside the United States, you are still in the United States for these purposes.

**ADMINISTRATOR'S REPORT:** (See Pension Matrix and spreadsheet included with the minutes for Management)

- a. Application to Enter the DROP (2)
- b. Application for Retirement (3) Exited the DROP
- c. Application for Retirement (3)

*Trustee Dailey moved to ratify the actions taken as it relates to the above items listed as 10a through 10c regarding the respective members as listed on the Agenda, the Pension Matrix form and the information submitted by the existing Management Plan and to include a copy of the form with the minutes. The motion was seconded by Trustee Sanmiguel and the motion passed 7-0.*
